LEATHER

Le tracolle Levy's in pelle si distinguono per il comfort e per l'eleganza, e sono realizzate con processi artigianali di qualità. Le tracolle della serie Leather sono disponibili in diverse tipologie di pelle, in diverse dimensioni e presentano design vari, dai più classici ai più caratteristici e di personalità.

RIGHT HEIGHT

Le tracolle della serie Right Height™ di Levy's sono dotate della tecnologia brevettata RipChord™, permettendo di regolare alla perfezione la tracolla mentre si suona lo strumento. Vicino al terminale inferiore è presente un'apposita cinghia che permette di regolare la lunghezza della tracolla senza il bisogno di togliersi lo strumento. Le tracolle della serie Right Height™ sono disponibili in diversi materiali, misure e colori.

POLY STRAPS

Le tracolle della serie Poly di Levy's sono realizzate in poliestere e polipropilene, caratterizzandosi per le stampe dinamiche e vibranti. La resistenza tipica di questi materiali rende queste tracolle molto durevoli, e insieme ai design caratteristici ogni musicista può facilmente trovare il proprio stile.

ACCESSORI

La linea di accessori Levy's viene realizzata con la stessa cura che contraddistingue le tracolle realizzate in Canada. Dagli adattatori per agganciare la tracolla a strumenti sprovvisti di pin, fino agli adattatori per utilizzare una tracolla per strumento come tracolla per borse o i porta wireless, gli accessori Levy's sono efficienti e durevoli.
