

**QUIKLOK**  
MADE IN CHINA

**RACK EQUIPMENT  
STANDS & ACCESSORIES**

**Z/612 BK**

10.01055

- 12-Space companion rack stand
- Solid heavy gauge steel and arc-welded construction, with contoured black wood top
- Open back allows for easy access to cables and connections
- Perfect for recording, broadcast and multimedia applications

**Z/612BK AM**

Supplied with 10/32" Whitworth (US thread) bolts &amp; cagenuts

**Z/612BK EU**

Supplied with 6 mm Metric (European thread) bolts &amp; cagenuts

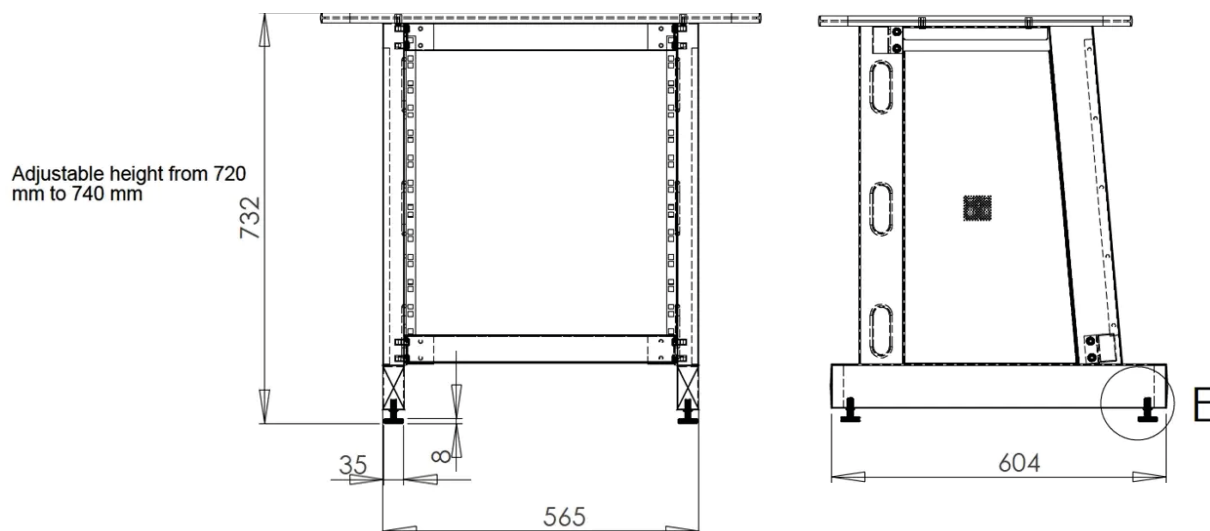

Height: 28.9" - 73.5 cm  
 Width: 24" - 61 cm  
 Depth: 20.8 - 53 cm  
 Weight capacity: 200 lb - 90.5 kg

**Top Shelf dimensions:**

Width: 30" - 76 cm  
 Depth: 23.8" - 60.5 cm  
 Thickness: 18 mm  
 Metal frame color: Black  
 Wood shelf color: Black

**Z/612 CY**

10.00357

- 12-Space companion rack stand
- Solid heavy gauge steel and arc-welded construction, with contoured cherry wood top
- Open back allows for easy access to cables and connections
- Perfect for recording, broadcast and multimedia applications

Z/612CY AM

Supplied with 10/32" Whitworth (US thread) bolts &amp; cagenuts

Z/612CY EU

Supplied with 6 mm Metric (European thread) bolts &amp; cagenuts

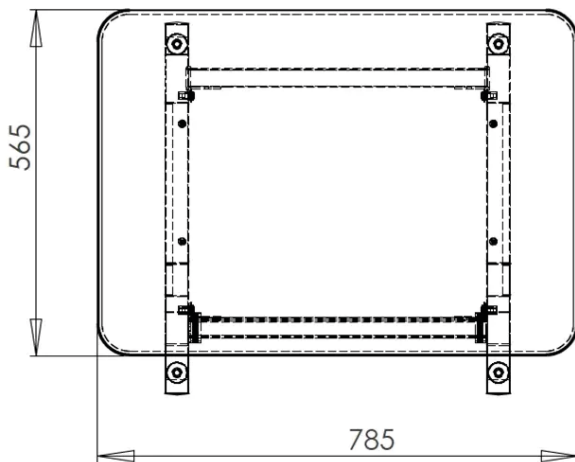

Height: 28.9" - 73.5 cm  
 Width: 24" - 61 cm  
 Depth: 20.8 - 53 cm  
 Weight capacity: 200 lb - 90.5 kg

Top Shelf dimensions:

Width: 30" - 76 cm  
 Depth: 23.8" - 60.5 cm  
 Thickness: 18 mm  
 Metal frame color: Black  
 Wood shelf color: Cherry

**RS/10**

10.00138

- 10-Space Table Top Rack Stand for studios or store displays
- Perfect for recording, broadcast and multimedia applications
- Supplied with rack hardware

RS/10 AM

Uses American 10/32 hardware

RS/10 EU

Uses European 6 mm hardware

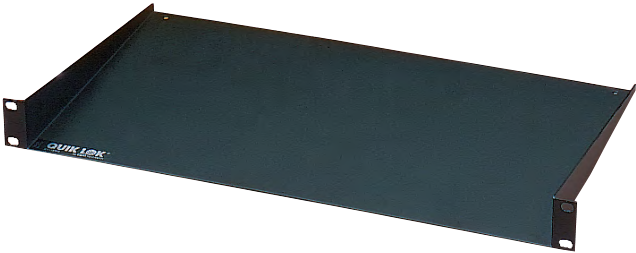

Height: 21" - 53.5 cm  
 Width: 20.8" - 52.8 cm  
 Leg depth: 15" - 38 cm  
 Frame size: 20 x 20 mm  
 Weight capacity: 150 lb - 67.9 kg  
 Weight: 5.3 lb - 2.4 kg  
 Color: Black

# QUIK LOK'S LINE OF SUPERIOR QUALITY RACK ACCESSORIES

- Electrostatic black powder-coat finish
- Manufactured using heavy gauge steel
- All rack panels and shelves are rigidly constructed with flanged edges for added strength
- All shelves are supplied with rack hardware

**RS/247**

10.00550

- Fixing Screw for Rack Stands

RS/247 AM

10/32 Allen head rack screw, for use with RS/248 AM and on any standard American Rack Rail

RS/247 EU

M6x15 Allen type fixing screw, for use with RS/248 EU on any standard European Rack Rail

**RS/248**

10.00551

- Captive Nut for Rack Stands

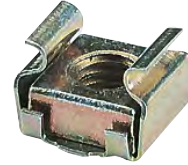

RS/248 AM

10/32 permaplated captive nut for all rack stands using american 10/32 hardware.

For use with RS/247 AM screws.

RS/248 EU

M6 zinc plated Steel captive nut for Rack Stands using European hardware. For use with RS/247 EU screws.

**RS/249**

10.00552

- Plastic cup washer for use with rack screws RS/247 AM and RS/247 EU

**RS/245**

10.00142

- 1 Space blank panel with flanged edges

Height: 1 rack space (1.75" - 4.45 cm)  
Color: Black

**RS/241**

10.00139

- 1 Space rack ventilation panel with flanged edges

Height: 1 rack space (1.75" - 4.45 cm)  
Color: Black

**RS/281**

10.00150

- 1 Space rack panel with flanged edges with 8 mounting holes for D 6,3 mm Plugs

Height: 1 rack space (1.75" - 4.45 cm)  
Holes diameter: 0.45" - 11.5 mm  
Color: Black
